COMING UP

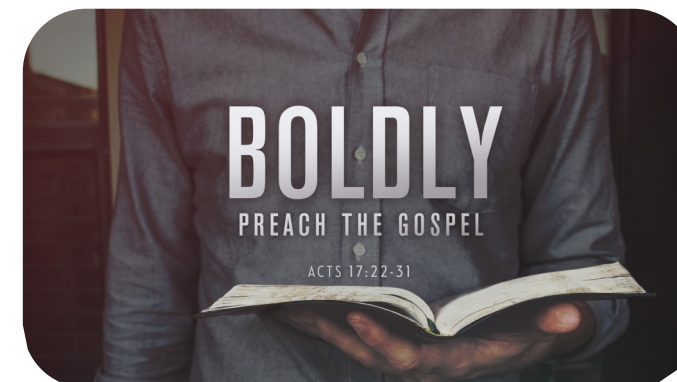

On October 3, Mark Butler will be giving his testimony as well as speaking to us about the Freedom House transitional center coming to our area. Please be prepared, in your hearts, to give a love offering that morning after the service.

Remember, love offerings do not take the place of your obedient tithes. They are in addition to, so please pray and seek God on how much He wants you to give in this special offering. Do not deduct it from your regular tithes, for this goes against the teachings from scripture.

Give Righteously!"*

Please share the pastor's point on your social media!
